I'll Say A Little Prayer For You...

9:15 AM, Assembly Room, Ann Schoonover

What are our sensibilities when it comes to praying? Join me in an informal conversation, where there are no right or wrong answers, and questions are encouraged. We will consider our denomination's tradition of prayer during worship, and explore the role(s) prayer plays in our congregation's life together. What about contemporary views, practices and expressions of prayer? If time permits, we will share stories about praying and its impact upon ourselves as well as the world around us.

Colossians In-Depth

9:15 AM, Maclean House, George Hunsinger

George Hunsinger leads a verse-by-verse examination of the Letter to the Colossians. In this epistle the Colossian congregation wrestles with folk beliefs and new age superstitions that are not as strange as they might at first seem. As usual Paul offers compelling good news in his understanding of the cross, the resurrection, worship, and Christian hope.

His richly dramatic saga, rendered in Chernow’s vivid prose, is nothing less than a riveting account of America’s founding, from the Revolutionary War to the rise of the first federal government. Bring a sack lunch. Coffee and tea supplied. Be prepared to discuss the book. All are welcome.
