How can biblical vision stories guide our discovery of what God is calling us to do, and who God calls us to be, for the church in our time? Through presentation and conversation, explore a New Testament vision story. Then examine how that story might guide and shape our lives as partners in the mission of Nassau Presbyterian Church?

## A (Small) Community of Faith

Offering an opportunity for fellowship and conversation, small groups return to Nassau in the fall of 2018 with myriad offerings, each of which, in its own way, provides you with the opportunity for renewal. Small groups are about being transformed, learning something new, and meeting that person to whom you say, "Peace be with you," on Sunday, but don't really know. They are about binding ourselves together in a community of faith and becoming different people in the process. Pick up a brochure during Fellowship or from the literature rack to read more about the groups. Sign-up begins today during Fellowship.

## Love to sing, but can't get to adult choir?

Grace Note Singers is the answer. We are open to all, and especially welcoming to those who have physical, visual, or schedule limitations which make it difficult or impossible to participate in adult choir. We meet Tuesdays, beginning September 25, from 1:00 to 2:15 PM in the Kingston Presbyterian Church Assembly Room (lower level). There's plenty of parking. Noel Werner, Nassau Director of Music is our leader.
