**NOTES TO FINANCIAL STATEMENTS**  
**May 31, 2019**

**Accounting Policies**

The financial statements are presented on a modified cash basis of accounting. Generally, revenues and expenses are recognized when received or paid rather than when incurred. In conformity with General Accepted Accounting Principles for not-for-profit organizations, investments are reflected on the balance sheet at fair market value.

**Endowment Funds**

The endowment funds of Nassau Presbyterian Church as of May 31, 2019, consist of investment portfolios invested with The Investment Fund for Foundations and Vanguard. The funds consist of general endowment and permanently restricted funds as shown in the Statement of Change in Endowment and Permanently Restricted Net Assets (page 7).

The St. Andrews Fund is designated for support of mission outreach. By action of Session in 1978 when the former St. Andrews building was sold and this fund established, income withdrawn from the St. Andrews Fund is applied toward the church's Shared Mission giving. For the fiscal year ended May 31, 2019, the Shared Mission expense was \$57,600 and the withdrawals from the St. Andrews Fund totaled \$45,964.

Income from the Frances Clark and Ammons Funds is designated for the music program of the church. The Parsons Trust was created in 2003 from a bequest specifying that the income be used to support the furtherance of education for Christian endeavor. The Ettl Fund is unrestricted. The Ella Davison Fund is for support for outreach previously conducted by the Presbyterian Women. The Vawter Fund is designated for support of the Trenton Children's Chorus.

**1757 Fund**

In March 2009, Session established the 1757 Fund with capital generated from the ownership and stewardship of Princeton Cemetery. This fund is to be treated as an endowment fund the income from which will be used for the maintenance and enhancement of the physical plant of the church. The fund is invested with The Investment Fund for Foundations and Vanguard. Withdrawals from this fund are included in Endowment Income in the General Operating Fund. A summary of the activity in the 1757 Fund is included on page 8.

**The Campaign for Nassau Church**

During the fiscal year ended May 31, 2012, Session approved a capital campaign to raise funds for implementation of the Building Master Plan as well as outreach projects. Donations to the campaign are being received over three to five years. Building improvements have been completed and outreach partnerships have begun and will continue for several years. Outreach commitments will total 10% of campaign donations. Total pledges to the campaign were \$5,193,629 of which \$4,774,066 had been paid as of May 31, 2019. The financial activity for the Campaign for Nassau Church is reflected in a separate statement of Revenues and Expenses on Page 4.

**NASSAU PRESBYTERIAN CHURCH**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**May 31, 2019**

**Temporarily Restricted Funds**

Temporarily Restricted Funds are funds set aside for a particular use and are restricted until such time as they are appropriately used or the period of restriction lapses. In some cases the restriction is based on donor designation and in others the funds have been designated internally by action of Session or committee.

**Cemetery Maintenance and Preservation Fund**

Under New Jersey law, the Princeton Cemetery of Nassau Presbyterian Church is required to maintain a Maintenance and Preservation Fund. Prescribed additions to the fund are made based on lots sold and interments performed. Income is withdrawn quarterly to support the maintenance and operation of the cemetery. The Maintenance and Preservation fund is invested with RBC Wealth Management as custodian. The portfolio is divided between Vanguard funds and funds managed by RBC Wealth Management.

**Capital Set-Aside**

Expenditures of funds related to the building or equipment which are in excess of \$1,000 and have a useful life in excess of one year are considered capital expenses. These expenses are funded through the set aside of funds from the operating budget each year as well as the use of bequests or other gifts as deemed appropriate by the Finance Committee and Session. The following is a summary of the Capital Set-Aside for the fiscal year:

Balance - June 1	\$ 108,134

Bequest	\$ 40,000
Donation	\$ 400
Capital Expenditures	<u>(\$107,276)</u>
