

DAILY DEVOTIONAL ❖ ADVENT 2020

PREFACE

This Devotional for Advent and Christmastide 2020 contains a scripture reference and a meditation for each day of the month, written by a host of Nassau Church members and friends. Each author was provided four biblical texts and asked to choose one on which to write a personal meditation. Carol Wehrheim, Nassau's Clerk of Session and an award-winning Christian educator, served as editor.

While these Devotionals were originally shared online, this document was created in order to collect and record this special event. Since it's not currently possible to print hard copies to pass out at church, we offer this document to you to read and keep, electronically or by printing.

We hope you will continue to use it as you worship by yourself and in your family group. Please know that others are sharing this experience with you.

Grace and Peace,

The Advent Devotional Team
