TWO FOUNDING COMMUNITY SPONSORS OF PCH

*congratulate Princeton Community Housing for its  
50 years of successfully developing and managing  
affordable housing in Princeton*

and

*honor the faithfulness, vision and leadership of two of  
their members, Jim Floyd, Sr., and Ted Vial, respectively,  
who helped establish PCH back in 1967 and provided  
the initial political and organizational skills that have  
led to such great success today.*
