

# Mission & Outreach Committee – 2018-19

## Objectives

### **Serving our Church**

- Define a governance structure for oversight of the organizations we agree to sponsor and examine ways to simplify and streamline the process for sponsorships, mission grants, and discretionary funds
- Clarify and publish criteria for requesting grants
- Identify and highlight mission and outreach works of congregation members in serving others and share those stories broadly.
- Develop a consistent message to strengthen the identity of NPC and the M&O Committee for use in all communications and recognition
- Identify relevant training for M&O Committee members and collaborators to better achieve the vision and mission
- Grow the Committee for a better distribution of resources and oversight
- Help connect members of the congregation with opportunities for mission & outreach

### **Serving Our Community**

- Strengthen the relationship with Witherspoon Presbyterian Church in support of long-term viability and stability, and support their vision and mission
- Strengthen the relationship with Westminster to support the needs of the Trenton Community
- Identify outreach activities that address basic needs in the Princeton community including access to food, shelter, and immigrant support

### **Serving our World**

- Develop the plan to continue the relationship with VIP and CETANA after the grants to each expire
- Ensure agility to respond to opportunities or crises (i.e natural disasters, social issues, etc.) that require attention in line with Committee mission and objectives
