one amazing week  
at NorthBay

**DEPART:** Thursday, June 27th, 2019  
1:30pm pack-up/depart from Nassau Pres.  
Eat lunch before you come - ok to bring snacks.

**RETURN:** Monday, July 1, 2019  
Approximately 3-4PM at Nassau Pres.  
(will call parents 1 hour away)

## WHAT YOU WILL NEED:

It's a week at the beach so bring lots of the basics:

- Bathing suit(s)
- Beach towel(s) + Bath towel(s)
- Favorite pillow?
- Sandals / flip-flops
- 1-2 pair of closed-toed shoes (for use on ropes, bikes, etc.)
- 2 very grubby outfits (including 1 shoe/socks/shirt/shorts combo that could get so muddy they could be thrown away)
- Sun-block
- Neon or White shirt for Glow-Stick Challenge
- Toiletries (deodorant; toothbrush; shampoo; toothpaste; waxed floss; etc.)
- Shorts, a pair of pants, t-shirts, a sweatshirt, shoes, sandals, and whatever else you normally wear: Northbay can be cool at night, but it will likely be pretty warm. Bring a variety of clothes -- you will want stuff to sweat in and swim in, but also stuff to wear to dinner and club. (If you have a flannel shirt, white tee, or neon shirt, bring those too.)
- \$30-\$100. We will stop for two meals (1 on the way down and 1 on way back) and food on the way up and back is not included in the price. Bring at least \$20 for road food unless you pack something. During the week at Northbay, three meals a day (and a few snacks) will be provided; however, there are good snack bars you may want to visit and a great Northbay store with awesome stuff, souvenirs, miscellaneous toiletries, etc. (Store accepts credit/debit cards).
- Calling Card. The camp has a no cell phone policy for security and other reasons (there is typically no reception anyway). There are several pay phones that take calling cards and the office gladly gives messages to campers. (The number for the Camp is 540-997-9276)
- Bible

## **WHAT YOU MIGHT NEED:**

- Cards or non-digital Games
- iPod/MP3 (you will be asked to give these up when we arrive, but you can certainly use them on the bus ride)
- Cell phone: You will be asked to give these up upon arrival because of the camp's no cell phone policy; however, cells can be convenient for calling parents on the way home, so it is nice to have a few for the ride
- Sunglasses
- Soccer ball, football, frisbee, tennis racket, ping-pong paddle (There are courts, fields, a Frisbee golf course, and more. Stuff to use these facilities is available, however, if you have a special attachment to any of your own personal sporting equipment, feel free to bring it!)

## **WHAT YOU WILL NOT NEED (so don't bring!):**

- Laptops, DVD players (We recommend leaving things this valuable at home – you won't need them.)
- Nice fancy clothes
- Bedding (it is all provided)
- Drugs or alcohol
