# Community Matters

Arm In Arm invites you to attend the second in a series of three *Community Matters* panel discussions, dedicated to education that inspires action.

Did you know nearly **10,000 children** in Mercer County experience food insecurity?

*Community Matters: Feeding Children's Futures* will focus on the issue of childhood hunger in our community. In our area of plenty, we must do better.

This **free** event is presented in partnership with YWCA Princeton.
