GENERAL

Approved burial vaults are required for all burial lots. In the memorial park area, no above ground monuments may be erected; markers of stone or bronze must be counter-set so that they are level with the ground.

MAINTENANCE & PRESERVATION FUND

A portion of the amount paid for a lot and a portion of the interment charge is invested in the Princeton Cemetery Maintenance & Preservation Fund. The income from this fund provides, without further cost to the owner, all ordinary care and maintenance of the cemetery such as grass cutting, raking, care of trees, removal of dead bushes and trees, and attention to general tidiness. Neither the initial charge nor the fund income provides for extraordinary expenses such as repair or rehabilitation of memorial stones, or the cost of monuments, markers or corner stones.

The prices and charges listed above are subject to change without notice.
